- Affects PG&E Corporation

- Affects both Debtors

*\* ALL PAPERS SHALL BE FILED IN  
THE LEAD CASE, NO. 19-30088 (DM).*

The following procedures (the “**Securities Claims Procedures**”) for resolving claims, other than Excluded Claims (defined below), that are subject to subordination pursuant to section 510(b) of title 11 of the United States Code (the “**Bankruptcy Code**”) (collectively, the “**Subordinated Securities Claims**” and the holders of Subordinated Securities Claims, the “**Subordinated Securities Claimants**”) have been adopted and approved by Order of the Bankruptcy Court, dated [•], 2020 [Dkt. No. [•]] (the “**Securities Claims Procedures Order**”), in the above-captioned chapter 11 cases (the “**Chapter 11 Cases**”) of PG&E Corporation (“**HoldCo**”) and Pacific Gas and Electric Company (the “**Utility**”), as debtors and reorganized debtors (collectively, the “**Debtors**,” or as reorganized pursuant to the Plan (as defined below), the “**Reorganized Debtors**”).

## **SUMMARY OF THE SECURITIES CLAIM PROCEDURES**

These Securities Claims Procedures are designed to facilitate and simplify the resolution of certain proofs of claim that have been submitted in these Chapter 11 Cases, and specifically to allow the Reorganized Debtors to explore expedient resolutions of those claims through settlement. The Securities Claims Procedures apply to certain purported creditors who filed proofs of claim based on their alleged losses incurred related to purchases of publicly-traded PG&E debt and/or equity securities as a result of alleged inadequate or fraudulent disclosures or non-disclosures of information from April 29, 2015 through November 15, 2018, inclusive.

To that end, the Securities Claims Procedures—which are diagrammed in a user-friendly format in Exhibit B attached hereto—first provide that each claimant will receive and respond to a targeted information request regarding the claimant’s trading history. The Reorganized Debtors will then decide whether to: (i) attempt to negotiate a settlement directly with the claimant; (ii) mediate with the claimant; (iii) file an omnibus objection on grounds that are common to that claimant and other claimants; and/or (iv) object to the claim on the basis that it lacks merit under the applicable federal securities laws. The Reorganized Debtors may employ one or more of these processes to resolve the Subordinated Securities Claims, and may do so sequentially for any claim.

1 These procedures are summarized more fully below:

1. **Securities Claims Information Procedures.** To allow the Reorganized Debtors to properly assess each of the individual Subordinated Securities Claims and determine the appropriate path forward for each claim under the other Securities Claims Procedures (e.g., settlement offer, mediation, or potential objection), the Reorganized Debtors are requesting that all Subordinated Securities Claimants be required to provide the Reorganized Debtors by mail or via a user-friendly online portal with complete trading data in connection with their asserted Subordinated Securities Claims.
2. **Securities ADR Procedures.** Recognizing that the Subordinated Securities Claims are comprised of different types of claimants and varying amounts of asserted and potential damages, the Reorganized Debtors are proposing three (3) separate mechanisms for potential settlement of Subordinated Securities Claims, each of which is explained in further detail below:
  - a. ***The Offer Procedures.*** These procedures will allow the Reorganized Debtors and Subordinated Securities Claimants to exchange settlement offers and counteroffers confidentially and without mediation;
  - b. ***The Abbreviated Mediation Process.*** These are procedures for abbreviated mandatory, non-binding mediation because formal mediation may not be appropriate for all Subordinated Securities Claims, especially those with smaller asserted or potential claim amounts; and
  - c. ***The Standard Mediation Process.*** These are procedures for regular mandatory, non-binding mediation, principally for claimants that have asserted or have larger potential Subordinated Securities Claims.
3. **Securities Omnibus Objection Procedures.** The Securities Omnibus Objection Procedures, which are substantially similar to those already adopted by the Court with respect to claims other than Subordinated Securities Claims, will allow the Reorganized Debtors to lodge objections, on an omnibus basis, to Subordinated Securities Claims that are not otherwise settled and/or are facially or procedurally defective. This process will eliminate the need to potentially file thousands of duplicative individual objections to Subordinated Securities Claims, as well as the associated expense and administrative burden both to the Reorganized Debtors and the Court.

The Reorganized Debtors believe these processes will facilitate prompt settlement and/or resolution of the Subordinated Securities Claims. If the above-described procedures do not resolve all Subordinated Securities Claims and merits-based objections to remaining claims (if any) are required, such objections will be made pursuant to section 502 of the Bankruptcy Code and consistent with Rule 3007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”). If any claims remain unresolved after the implementation of these procedures, the Reorganized Debtors will propose a methodology for resolving the outstanding Subordinated Securities Claims.

## **CLAIMS SUBJECT TO THE SECURITIES CLAIMS PROCEDURES**

## A. Subordinated Securities Claims

The claims subject to these Securities Claims Procedures include all Subordinated Securities Claims other than Excluded Claims, as defined below. Specifically, these Securities Claims Procedures are limited to claims that fall into the following classes of claims under the *Debtors' and Shareholder Proponents' Joint Chapter 11 Plan of Reorganization Dated June 19, 2020* [Dkt. No. 8048] (as it may be amended, modified, or supplemented and together with any exhibits or schedules thereto, the “**Plan**”).<sup>1</sup>

## **Subordinated Debt Claims**

- (i) Class 9A – HoldCo Subordinated Debt Claims – any Claim against HoldCo that is subject to subordination under section 510(b) of the Bankruptcy Code, including any Claim for reimbursement, indemnification or contribution, but excluding any HoldCo Rescission or Damage Claims.
- (ii) Class 10B – Utility Subordinated Debt Claims – any Claim against the Utility that is subject to subordination under section 510(b) of the Bankruptcy Code, including any Claim for reimbursement, indemnification or contribution.

## **B. Excluded Claims**

These Securities Claims Procedures shall not apply to any Subordinated Securities Claim filed by: (i) the Public Employees Retirement Association of New Mexico (“**PERA**”), (ii) York County on behalf of County of York Retirement Fund (“**York County**”), (iii) City of Warren Police and Fire Retirement System (“**City of Warren**”), and (iv) Mid-Jersey Trucking Industry & Local No. 701 Pension Fund (“**Mid-Jersey**”) (collectively, the “**Excluded Claims**”). The holders of Excluded Claims are collectively referred to herein as “**Excluded Claimants**.<sup>2</sup>

<sup>1</sup> Capitalized terms used but not herein defined have the meanings ascribed to such terms in the Plan.

<sup>2</sup> The Excluded Claimants each filed proofs of claim through counsel, referencing a complaint, filed in another proceeding, which sets out in detail the claims asserted by the Excluded Claimants. The Reorganized Debtors have been actively engaged in mediation with the Excluded Claimants and their counsel. Consequently, these procedures are not necessary to continue to engage in communications or otherwise attempt to resolve claims of the Excluded Claimants. In contrast, the other Subordinated Securities Claimants have not filed accompanying complaints, provided complete trading data, or engaged in mediation or other settlement efforts with the Reorganized Debtors.

**The Securities Claims Information Procedures**

1       The following procedures (the “**Securities Claims Information Procedures**”) have been  
2 adopted and approved by Order of the Bankruptcy Court, dated [•], 2020 [Dkt. No. [•]] (the  
3 “**Securities Claims Procedures Order**”), in the above-captioned chapter 11 cases (the “**Chapter  
4 11 Cases**”) of PG&E Corporation (“**HoldCo**”) and Pacific Gas and Electric Company  
5 (the “**Utility**”), as debtors and reorganized debtors (collectively, the “**Debtors**,” or as reorganized  
6 pursuant to the Plan, the “**Reorganized Debtors**”).

7 **I. THE SECURITIES CLAIMS INFORMATION PROCEDURES**

8       The Securities Claims Information Procedures are intended to, in the simplest and most  
9 expedient way, get complete trading information from the Subordinated Securities Claimants that is  
10 necessary for the Reorganized Debtors to evaluate whether a claim can be resolved consensually and  
11 the amount of any offer to settle that the Reorganized Debtors may make to each claimant.

12      **A. Initiating the Securities Claims Information Procedures**

13       The Securities Claims Information Procedures begin when the Reorganized Debtors, at their  
14 sole discretion, send a Subordinated Securities Claimant the following materials (collectively, the  
15 “**Claim Information Materials**”): (i) a request for trading information (the “**Trading Information  
16 Request Form**”); and (ii) a copy of these Securities Claims Information Procedures.

17       The Reorganized Debtors will send the Claim Information Materials to a Subordinated  
18 Securities Claimant at the address listed on that claimant’s most recently filed proof of claim. If the  
19 proof of claim indicates that the claimant is represented by counsel, the Reorganized Debtors will  
20 also send the Claim Information Materials to that claimant’s counsel.

21       Subordinated Securities Claimants must complete and return the Trading Information  
22 Request Form no later than twenty-eight days after the mailing of the Trading Information Request  
23 Form (the “**Information Deadline**”). The completed Trading Information Request Form must be  
24 received by the Reorganized Debtors before the Information Deadline.

25      **B. The Trading Information Request Form**

26       Each Trading Information Request Form will direct the Subordinated Securities Claimant to  
27 an online portal where the Trading Information Request Form can be completed. The Trading  
28

1 Information Request Form will provide clear instructions and credentials for securely accessing, and  
2 submitting information through, the online portal.

3 Each Subordinated Securities Claimant has already submitted a proof of claim. The  
4 *Rescission or Damage Claim Proof of Claim* form attached a list of the Reorganized Debtors'  
5 publicly traded debt and/or equity securities (the "**Securities**").

6 As part of the Trading Information Request, Subordinated Securities Claimants shall provide  
7 their complete trading history, in transaction-level detail, of the Securities during the following  
8 periods:

- 9 • **Common Stock:** April 29, 2015 through February 12, 2019;<sup>3</sup>
- 10 • **Debt Securities:** April 29, 2015 through July 1, 2020;<sup>4</sup>
- 11 • **Preferred Stock:** April 29, 2015 through July 1, 2020; and
- 12 • **Options:** April 29, 2015 through July 1, 2020.

13 Individual sections of the online portal will be dedicated to the different types of securities  
14 listed above. For each category, the relevant Securities will be available from a drop-down menu so  
15 that Subordinated Securities Claimants can be sure they are providing the information in the  
16 appropriate place.

17 **C. Returning the Trading Information Request**

18 Trading Information Request Forms must be returned to the Reorganized Debtors on or  
19 before the Information Deadline. To reduce delays and avoid further costs to the Subordinated  
20 Securities Claimants, Trading Information Request Forms shall be submitted through the online  
21 portal, unless return by electronic submission is impracticable or impossible.

22 If electronic submission through the online portal is impracticable or impossible, responses  
23 to the Trading Information Request Forms must be returned to the Reorganized Debtors by mail so  
24 that they are actually received by the Reorganized Debtors on or before the Information Deadline.  
25 Mail deliveries shall be directed to:

26 <sup>3</sup> This information is necessary to calculate potential damages (and therefore potential settlement  
27 amounts) under 15 U.S.C. § 78u-4(e) of the PSLRA.

28 <sup>4</sup> This information is necessary to calculate potential damages (and therefore potential settlement  
amounts) under section 11 of the Securities Act of 1933.

4 **D. Failure to Return Trading Information Request Form by Information Deadline**

5 If a Trading Information Request Form is not returned to the Reorganized Debtors by the  
6 Information Deadline, the Reorganized Debtors shall send an information reminder (the  
7 **“Information Reminder”**) to the Subordinated Securities Claimant. The Information Reminder will  
8 provide the Subordinated Securities Claimant with an additional fourteen (14) days from the date the  
9 Information Reminder is sent to return the Trading Information Request Form (the **“Reminder  
10 Deadline”**).

11 The Reorganized Debtors will send the Information Reminder to the e-mail address listed on  
12 the Subordinated Securities Claimant’s proof of claim. If no e-mail address is listed, the Reorganized  
13 Debtors will send the Information Reminder by mail.

14 Failure to return the Trading Information Request Form by the Reminder Deadline may result  
15 in a formal objection seeking disallowance of the Subordinated Securities Claim(s).

16 **E. Next Steps**

17 Following the timely return of a Trading Information Request, the Reorganized Debtors may,  
18 in their sole discretion: (i) make a settlement offer to a Subordinated Securities Claimant;  
19 (ii) designate the Subordinated Securities Claim(s) for mandatory mediation; or (iii) both.

20 The Reorganized Debtors reserve the right to object to a Subordinated Securities Claim under  
21 section 502 of the Bankruptcy Code, consistent with Rule 3007 of the Federal Rules of Bankruptcy  
22 Procedure, as well the Securities Omnibus Objection Procedures set forth in Securities Claims  
23 Procedures Order.

1       **II. COMPUTING TIME FOR DEADLINES**

2       Consistent with Rule 6(a)(1) of Federal Rules of Civil Procedure, when computing any time  
3 period specified in these Securities Claims Information Procedures: (a) exclude the day of the event  
4 that triggers the period; (b) count every day, including intermediate Saturdays, Sundays, and legal  
5 holidays; and (c) include the last day of the period, but if the last day is a Saturday, Sunday, or legal  
6 holiday, the period continues to run until the end of the next day that is not a Saturday, Sunday, or  
7 legal holiday.

**The Securities ADR Procedures**

1       The following procedures (the “**Securities ADR Procedures**”) have been adopted and  
2 approved by Order of the Bankruptcy Court, dated [•], 2020 [Dkt. No. [•]] (the “**Securities Claims**  
3 **Procedures Order**”), in the above-captioned chapter 11 cases (the “**Chapter 11 Cases**”) of PG&E  
4 Corporation (“**HoldCo**”) and Pacific Gas and Electric Company (the “**Utility**”), as debtors and  
5 reorganized debtors (collectively, the “**Debtors**,” or as reorganized pursuant to the Plan, the  
6 “**Reorganized Debtors**”).

7 **I. THE SECURITIES ADR PROCEDURES**

8       The Securities ADR Procedures are designed to consensually resolve Subordinated Securities  
9 Claims without the cost and expense of formal litigation. There are two major components to the  
10 Securities ADR Procedures: (i) a process by which the Reorganized Debtors exchange settlement  
11 offers with Subordinated Securities Claimants (the “**Offer Procedures**”); and (ii) mandatory,  
12 nonbinding mediation (the “**Securities Mediation Procedures**”).

13       The Offer Procedures are described in section II, below. The Mediation Procedures are  
14 described in section III, below. For the avoidance of doubt, section IV applies to all aspects of the  
15 Securities ADR Procedures.

16 **II. THE OFFER PROCEDURES**

17       The Offer Procedures generally contemplate a process by which the Reorganized Debtors  
18 will make written, confidential settlement offers to certain claimants as a means to resolve claims  
19 efficiently, where possible.

20       The Offer Procedures begin when the Reorganized Debtors, at their sole discretion, send a  
21 Subordinated Securities Claimant the following materials (collectively, the “**Offer Materials**”):  
22 (i) notice that the Subordinated Securities Claim has been submitted to the Offer Procedures (an  
23 “**Offer Notice**”); (ii) a copy of the Subordinated Securities Claimant’s applicable proof(s) of claim;  
24 and (iii) a copy of these Offer Procedures.<sup>5</sup>

25       The Reorganized Debtors will send the Offer Materials to a Subordinated Securities Claimant  
26 at the address listed on that claimant’s most recently filed proof of claim. If the proof of claim

---

27       <sup>5</sup> For transferred claims, the Reorganized Debtors will also serve a copy of the Offer Materials on the  
28 transferee identified in the notice of transfer of claim.

1 indicates that the claimant is represented by counsel, the Reorganized Debtors will also send the  
2 Offer Materials to that claimant's counsel.

3 **A. The Offer Notice**

4 The Offer Notice will include an offer by the Reorganized Debtors to settle the Subordinated  
5 Securities Claim (a "**Settlement Offer**"). A response to the Settlement Offer must be received by  
6 the Reorganized Debtors no later than twenty-one (21) days after the mailing of the Offer Notice (the  
7 "**Settlement Response Deadline**"). The Reorganized Debtors, in their sole discretion, may agree to  
8 extend the Settlement Response Deadline.

9 **B. Response to the Settlement Offer**

10 The only permitted responses to a Settlement Offer are (i) signed acceptance, or (ii) rejection  
11 and a counteroffer. A rejection of the Settlement Offer must include a counteroffer. The response  
12 to the Settlement Offer must be sent by e-mail and regular mail to the addresses provided in the  
13 Settlement Offer.

14 **C. The Counteroffer**

15 The counteroffer shall be signed by the Subordinated Securities Claimant and shall identify  
16 the specific amount that the Subordinated Securities Claimant will accept in full settlement and  
17 satisfaction of the Subordinated Securities Claim. A counteroffer may not be for an unknown,  
18 unliquidated, or indefinite amount.

19 **D. The Reorganized Debtors' Response to a Counteroffer**

20 The Reorganized Debtors must respond in writing within twenty-one (21) days after the  
21 receipt of a counteroffer (the "**Counteroffer Response**"). The Counteroffer Response shall indicate  
22 that the Reorganized Debtors either (i) accept the counteroffer, or (ii) reject the counteroffer.

23 *1. Acceptance of the Counteroffer*

24 If the Reorganized Debtors accept the Counteroffer, the Reorganized Debtors will provide  
25 written confirmation to the Subordinated Securities Claimant.

26 *2. Rejection*

27 If the Reorganized Debtors reject the counteroffer, they may make a revised settlement offer  
28 (a "**Revised Settlement Offer**"). Alternatively, the Reorganized Debtors may terminate the Offer

Procedures. The Reorganized Debtors must indicate which option they have chosen in the Counteroffer Response.

If the Reorganized Debtors reject the Counteroffer without making a Revised Settlement Offer, the Reorganized Debtors will provide written notification of their rejection to the Subordinated Securities Claimant and the Subordinated Securities Claim will, in the Reorganized Debtors' sole discretion, either be (i) submitted to nonbinding, mandatory mediation, or (ii) resolved through the claims reconciliation and objection process before the Bankruptcy Court, including the Securities Omnibus Objection Procedures set forth in Securities Claims Procedures Order.

a) Revised Settlement Offer

The only permitted responses to a Revised Settlement Offer are (i) signed acceptance, or (ii) rejection. A rejection of the Settlement Offer may, but need not, include a counteroffer. The Subordinated Securities Claimant must respond in writing within fourteen (14) days (the “**Revised Settlement Offer Deadline**”). The Reorganized Debtors may, in their sole discretion, agree to extend the Revised Settlement Offer Response Deadline to permit the exchange of additional offers.

The Subordinated Securities Claimant's response to the Revised Settlement Offer shall be sent by email and regular mail to the addresses provided in the Revised Settlement Offer.

b) Termination of Offer Procedures

The Reorganized Debtors may, in their sole discretion, terminate the Offer Procedures and either (i) submit the claim to nonbinding, mandatory mediation, or (ii) seek to resolve the claim in the claims reconciliation and objection process before the Bankruptcy Court, including the Securities Omnibus Objection Procedures set forth in Securities Claims Procedures Order.

The Reorganized Debtors reserve the right to object to a Subordinated Securities Claim under section 502 of the Bankruptcy Code, consistent with Rule 3007 of the Federal Rules of Bankruptcy Procedure, as well the Securities Omnibus Objection Procedures set forth in Securities Claims Procedures Order.

## **E. Extension of Claim Objection Deadline**

In the event that these Offer Procedures have been invoked as to a Subordinated Securities Claim but have not resolved the Subordinated Securities Claim, the deadline to object to the

1 Subordinated Securities Claim under section 7.1 of the Plan shall be automatically extended until  
2 sixty (60) days after the termination of the Offer Procedures to allow the Reorganized Debtors to  
3 either (i) submit the Subordinated Securities Claim to nonbinding, mandatory mediation, or  
4 (ii) object to a Subordinated Securities Claim under section 502 of the Bankruptcy Code, consistent  
5 with Rule 3007 of the Federal Rules of Bankruptcy Procedure, as well the Securities Omnibus  
6 Objection Procedures set forth in Securities Claims Procedures Order. For the avoidance of doubt,  
7 this provision in no way shortens the deadline to object to Subordinated Securities Claims under  
8 section 7.1 of the Plan.

### 1 III. THE SECURITIES MEDIATION PROCEDURES

2 The Securities Mediation Procedures are designed to consensually resolve Subordinated  
3 Securities Claims without the cost and expense of formal litigation or the need for claimants to hire  
4 attorneys or incur attorneys' fees.

5 The Securities Mediation Procedures create two separate processes for mandatory, non-  
6 binding mediation: (i) the Abbreviated Mediation Process, presumptively for claims where the  
7 amounts at issue do not justify a more comprehensive mediation process; and (ii) the Standard  
8 Mediation Process, for larger claims. Each process involves specified procedures appropriate to the  
9 size of the claim at issue. The Reorganized Debtors, in their sole discretion, may designate a  
10 Subordinated Securities Claim for mandatory participation in either mediation process.

11 The Abbreviated Mediation Process is described in section III.A, below. The Standard  
12 Mediation Process is described in section III.B below. For the avoidance of doubt, section IV applies  
13 to all aspects of the Securities ADR Procedures.

#### 14 A. The Abbreviated Mediation Process

15 The Abbreviated Mediation Process is meant to be more efficient and less costly than formal  
16 mediation and briefing. The Abbreviated Mediation Process begins when the Reorganized Debtors,  
17 in their sole discretion, send a Subordinated Securities Claimant the following materials  
18 (collectively, the "**Abbreviated Mediation Materials**"): (i) notice that the Subordinated Securities  
19 Claim has been submitted to the Abbreviated Mediation Process (a "**Notice of Abbreviated**  
20 **Mediation**"); (ii) a copy of the Subordinated Securities Claimant's applicable proof(s) of claim and;  
21 and (iii) a copy of these Securities ADR Procedures.<sup>6</sup>

##### 22 1. *The Notice of Abbreviated Mediation*

23 The Notice of Abbreviated Mediation shall provide the applicable Subordinated Securities  
24 Claimant with notice of the date, time, identity of the mediator, and duration of the mediation (the  
25 "**Abbreviated Mediation**") at least twenty-eight (28) days prior to the mediation date, unless  
26 otherwise agreed to by the parties.

---

27 <sup>6</sup> For transferred claims, the Reorganized Debtors will also serve a copy of the Offer Materials on the  
28 transferee identified in the notice of transfer of claim.

1           If the chosen date and/or time of the Abbreviated Mediation is not agreeable to the  
2 Subordinated Securities Claimant, the Subordinated Securities Claimant may so inform the Mediator  
3 (defined below) so that the parties, and the Mediator, may find a mutually agreeable date and time.

4           All Abbreviated Mediations shall be conducted virtually via videoconference over Zoom.  
5 Subordinated Securities Claimants without videoconferencing capabilities may nevertheless  
6 participate in Abbreviated Mediation via telephonic conference.

7           2.       *Appointment of Mediator*

8           The Reorganized Debtors will present to the Bankruptcy Court for approval a panel of  
9 qualified and experienced mediators (the “**Panel of Mediators for Abbreviated Mediations**”). The  
10 Reorganized Debtors work with the Panel of Mediators for Abbreviated Mediations to develop a  
11 process of fair distribution of Abbreviated Mediations among the mediators (each a “**Mediator**”).

12           A person appointed as a Mediator must (i) be an impartial, neutral person, (ii) have no  
13 financial or personal interest in the proceedings or, except when otherwise agreed by the parties, in  
14 any related matter, and (iii) upon appointment, disclose any circumstances likely to create a  
15 reasonable inference of bias. In the event a Mediator discloses any circumstances likely to create a  
16 reasonable inference of bias, such Mediator shall be replaced prior to the mediation.

17           3.       *Fees and Costs*

18           The Reorganized Debtors shall pay the Mediator’s fees and expenses. The parties shall each  
19 bear their own costs of the Abbreviated Mediation Process.

20           4.       *Appearance of Abbreviated Mediation*

21           The Subordinated Securities Claimant must appear at the Abbreviated Mediation. If a  
22 Subordinated Securities Claimant that is a natural person has a hardship preventing that individual  
23 from attending Abbreviated Mediation, the Reorganized Debtors and the Subordinated Securities  
24 Claimant will meet and confer in good faith to resolve the issue and, if necessary, either party may  
25 ask the Bankruptcy Court for relief.

26           If a person or entity, other than the Subordinated Securities Claimant, filed the Subordinated  
27 Securities Claim on behalf of the Subordinated Securities Claimant, that person or entity must also  
28 appear at the Abbreviated Mediation. If the Subordinated Securities Claimant is not a natural person,

1 an authorized representative must appear at the Abbreviated Mediation (the “**Authorized**  
2 **Representative**”). Unless otherwise agreed by the Reorganized Debtors, the Authorized  
3 Representative must have complete (and not limited) authority to settle without reversion to others  
4 not attending the Abbreviated Mediation.

5        *5. Abbreviated Mediation Procedures*

6        Unless the parties agree otherwise, the following deadlines apply:

7        **Ten (10) days before the Abbreviated Mediation.** The Reorganized Debtors must e-mail  
8 the mediator and the Subordinated Securities Claimant the following:

9        •        A settlement offer (the “**Abbreviated Mediation Settlement Offer**”); and  
10        •        A confidential background statement (the “**Background Statement**”). The  
11                Background Statement must not exceed five (5) pages.

12        The Reorganized Debtors must e-mail both the Abbreviated Mediation Settlement Offer and  
13 the Background Statement no later than 4:00 pm (Pacific Time) ten (10) days before the Abbreviated  
14 Mediation.

15        **Three (3) days before the Abbreviated Mediation.** The Subordinated Securities Claimant  
16 must e-mail the mediator and the Reorganized Debtors with a response. For example, the claimant  
17 may accept the Abbreviated Mediation Settlement Offer.

18        If the claimant rejects the Abbreviated Mediation Settlement Offer, the claimant may include  
19 the following:

20        •        A counteroffer to the Abbreviated Mediation Settlement Offer; and  
21        •        A confidential response to the Background Statement (the “**Response Statement**”).  
22                The Response Statement must not exceed five (5) pages.

23        The Subordinated Securities Claimant must e-mail the response no later than 4:00 pm (Pacific  
24 Time) three (3) days before the Abbreviated Mediation.

25        If the Subordinated Securities Claimant rejects the Abbreviated Mediation Settlement Offer,  
26 but elects not to make a counteroffer, the Subordinated Securities Claimant or, if applicable, the  
27 Authorized Individual, shall come prepared with and be expected to make a counteroffer at the  
28 Abbreviated Mediation.

1           Failure to comply with the deadlines set forth in the Securities ADR Procedures may result  
2 in sanctions under section IV.E below.

3           6.     *Next Steps*

4           If any Subordinated Securities Claims is not settled through the Abbreviated Mediation  
5 Process, the Reorganized Debtors may, in their sole discretion, (i) designate the Subordinated  
6 Securities Claim(s) for the Standard Mediation Process, or (ii) seek to resolve the claim in the claims  
7 reconciliation and objection process before the Bankruptcy Court, including the Securities Omnibus  
8 Objection Procedures set forth in Securities Claims Procedures Order.

9           The Reorganized Debtors reserve the right to object to a Subordinated Securities Claim under  
10 section 502 of the Bankruptcy Code, consistent with Rule 3007 of the Federal Rules of Bankruptcy  
11 Procedure, as well the Securities Omnibus Objection Procedures set forth in Securities Claims  
12 Procedures Order.

1                   **B.       The Standard Mediation Process**

2                   The Standard Mediation Process begins when the Reorganized Debtors send a Subordinated  
 3 Securities Claimant the following materials (collectively, the “**Standard Mediation Materials**”):  
 4 (i) notice that the Subordinated Securities Claim has been submitted to the Standard Mediation  
 5 Process (a “**Notice of Standard Mediation**”); (ii) a copy of the Subordinated Securities Claimant’s  
 6 applicable proof(s) of claim; and (iii) a copy of these Securities ADR Procedures.<sup>7</sup>

7                   *1.       Notice of Standard Mediation*

8                   The Reorganized Debtors shall provide the applicable Subordinated Securities Claimant with  
 9 notice of the date, time, location, identity of the mediator, and duration of the mediation (the  
 10 “**Standard Mediation**”) at least forty-two (42) days prior to the mediation date (the “**Standard  
 11 Mediation Scheduling Notice**”), unless otherwise agreed to by the parties.

12                  If the chosen date and/or time of the Standard Mediation is not agreeable to the Subordinated  
 13 Securities Claimant, the Subordinated Securities Claimant may so inform the Mediator (defined  
 14 below) so that the parties, and the Mediator, may find a mutually agreeable date and time.

15                  Absent further order from the Bankruptcy Court, all Standard Mediations shall be conducted  
 16 virtually via videoconference over Zoom. Subordinated Securities Claimants without  
 17 videoconferencing capabilities may nevertheless participate in Standard Mediation via telephonic  
 18 conference.

19                   *2.       Appointment of Mediator*

20                  The Reorganized Debtors will present to the Bankruptcy Court for approval a panel of  
 21 qualified and experienced mediators for the Standard Mediations (the “**Panel of Mediators for  
 22 Standard Mediations**”). The Reorganized Debtors will work with the Panel of Mediators for  
 23 Standard Mediations to develop a process of fair distribution of Standard Mediations among the  
 24 mediators (each a “**Mediator**”).

25                  A person appointed as a Mediator must (i) be an impartial, neutral person, (ii) have no  
 26 financial or personal interest in the proceedings or, except when otherwise agreed by the parties, in

---

27                  <sup>7</sup> For transferred claims, the Reorganized Debtors will also serve a copy of the Offer Materials on the  
 28 transferee identified in the notice of transfer of claim.

1 any related matter, and (iii) upon appointment, disclose any circumstances likely to create a  
2 reasonable inference of bias. In the event a mediator discloses any circumstances likely to create a  
3 reasonable inference of bias, such mediator shall be replaced prior to the mediation.

4           3.     *Fees and Costs*

5           The Reorganized Debtors shall pay the mediator's fees and expenses. The parties shall each  
6 bear their own costs of the Standard Mediation Process.

7           4.     *Appearance at Standard Mediation*

8           The Subordinated Securities Claimant must appear at the Standard Mediation. If a  
9 Subordinated Securities Claimant that is a natural person has a hardship preventing that individual  
10 from attending Standard Mediation, the Reorganized Debtors and the Subordinated Securities  
11 Claimant will meet and confer in good faith to resolve the issue and, if necessary, either party may  
12 ask the Bankruptcy Court for relief.

13           If a person or entity, other than the Subordinated Securities Claimant, filed the Subordinated  
14 Securities Claim on behalf of the Subordinated Securities Claimant, that person or entity must also  
15 appear at the Standard Mediation. If the Subordinated Securities Claimant is not a natural person,  
16 an authorized representative must appear at the Standard Mediation (the "**Authorized**  
17 **Representative**"). Unless otherwise agreed by the Reorganized Debtors, the Authorized  
18 Representative must have complete (and not limited) authority to settle without reversion to others  
19 not attending the Standard Mediation.

20           5.     *Standard Securities Mediation Procedures*

21           Unless the parties agree otherwise, the following deadlines apply:

22           **Twenty-one (21) days before the Standard Mediation.** The Subordinated Securities  
23 Claimant must e-mail the mediator and the Reorganized Debtors the following:

- 24           •     A settlement demand (the "**Settlement Demand**"); and
- 25           •     A confidential pre-mediation statement (the "**Opening Statement**"). The Opening  
26 Statement must not exceed fifteen (15) pages, excluding any attachments, and identify  
27 each cause of action or theory the Subordinated Securities Claimant asserts, including  
28 a short and plain statement of the facts and law upon which the Subordinated

Securities Claimant relies for recovery and maintains entitle it to relief. The Opening Statement shall include, as exhibits or annexes, all documents (or summaries of voluminous documents), affidavits, and other materials on which the Subordinated Securities Claimant relies.

The Subordinated Securities Claimant must e-mail both the Settlement Demand and the Opening Statement no later than 4:00 pm (Pacific Time) twenty-one (21) days before the Standard Mediation.

**Seven (7) days before the Standard Mediation.** The Reorganized Debtors must e-mail the mediator and the Subordinated Securities Claimant the following:

- A response to the settlement demand (the “**Settlement Demand Response**”); and
- A confidential response statement (the “**Rebuttal Statement**”). The Rebuttal Statement must not exceed fifteen (15) pages, excluding any attachments.

The Reorganized Debtors must e-mail both the Settlement Demand Response and the Rebuttal Statement no later than 4:00 pm (Pacific Time) seven (7) days before the Standard Mediation.

If the Settlement Demand Response contains a counteroffer to the Settlement Demand, the Subordinated Securities Claimant or, if applicable, the Authorized Individual, shall come prepared with and be expected to make a counter-counteroffer at the Standard Mediation

Failure to comply with the deadlines set forth in the Securities ADR Procedures may result in sanctions under section IV.E below.

## 6. *Mediators-Eyes-Only*

At the Mediator's discretion and direction, the parties may submit additional, confidential letters or statements to the Mediator, which shall receive "Mediator's-eyes-only" treatment.

## 7. *Termination of the Mediation*

The Standard Mediation may only be terminated by the Mediator, who shall agree to terminate the mediation only if an impasse has been reached and in the judgment of the Mediator, there is no reasonable opportunity to settle the claim in mediation.

1                   8.     *Next Steps*2                   If any Subordinated Securities Claims is not settled through the Standard Mediation Process  
3 and the mediation is terminated by the Mediator, then the Subordinated Securities Claim shall be  
4 resolved through the claims reconciliation and objection process before the Bankruptcy Court,  
5 including the Securities Omnibus Objection Procedures set forth in Securities Claims Procedures  
6 Order.7                   **C.     Extension of Claim Objection Deadline**8                   In the event that these Securities ADR Procedures have been invoked as to a Subordinated  
9 Securities Claim but have not resolved the Subordinated Securities Claim, the deadline to object to  
10 the Subordinated Securities Claim under section 7.1 of the Plan shall be automatically extended until  
11 sixty (60) days after the termination of the final such Securities ADR Procedure. For the avoidance  
12 of doubt, this provision in no way shortens the deadline to object to Subordinated Securities Claims  
13 under section 7.1 of the Plan.14                   **IV.    MISCELLANEOUS PROVISIONS APPLICABLE TO THE SECURITIES ADR  
15                   PROCEDURES**16                   **A.     Settlement in Securities ADR Procedures**17                   If a Subordinated Securities Claim is settled through the Securities ADR Procedures, the  
18 parties will execute a settlement agreement.19                   **B.     Duty to Negotiate in Good Faith**20                   The Subordinated Securities Claimants and the Reorganized Debtors shall negotiate in good  
21 faith in an attempt to reach an agreement for the settlement of the Subordinated Securities Claims.22                   **C.     Confidentiality of Negotiations**23                   The settlement and mediation process is confidential and Reorganized Debtors and  
24 Subordinated Securities Claimants cannot disclose the offers made or the communications in  
25 connection with settlement offers to any other person. Absent express agreement between the parties,  
26 no person may rely on, seek discovery of, or introduce as evidence in connection with any judicial  
27 or other proceeding, any offer, counteroffer, discussions or negotiations between the parties, or any  
28 other aspect of the Securities ADR Procedures.

1           **D.     Modification of the Securities ADR Procedures**

2           The Reorganized Debtors and a Subordinated Securities Claimant may enter into a written  
3 agreement, without further approval of the Bankruptcy Court, to modify the foregoing Securities  
4 ADR Procedures at their mutual discretion.

5           **E.     Failure to Comply with the Securities ADR Procedures**

6           If a Subordinated Securities Claimant or the Reorganized Debtors fail to comply with the  
7 Securities ADR Procedures, negotiate in good faith, or cooperate as may be necessary to effectuate  
8 the Securities ADR Procedures, the Bankruptcy Court may, after notice and hearing, find such  
9 conduct to be in violation of the Securities Claims Procedures Order or, with respect to a  
10 Subordinated Securities Claimant, an abandonment of or failure to prosecute the Subordinated  
11 Securities Claim, or both. Upon such findings the Bankruptcy Court may, among other things,  
12 disallow and expunge the Subordinated Securities Claim, in whole or in part, or grant such other or  
13 further remedy deemed just and appropriate under the circumstances, including, without limitation,  
14 awarding attorneys' fees, other fees, and costs to the other party. In consideration of any motion  
15 relating to the failure to comply in good faith with the Securities ADR Procedures, the Bankruptcy  
16 Court may solicit and receive the views of the Mediator in the particular mediation *in camera*,  
17 notwithstanding any confidentiality provisions applicable to such mediation.

18           **F.     Prioritization and Referral of Subordinated Securities Claims to Mediation**

19           Given the number of Subordinated Securities Claims, the Reorganized Debtors shall have the  
20 discretion to prioritize the initiation of mandatory mediations as they see fit.

21           **G.     Mandatory Mediation Rules**

22           Mandatory mediation shall be governed by the Mediator's regular procedures, except where  
23 expressly modified in the Securities ADR Procedures. In the event of a conflict, the Securities ADR  
24 Procedures shall control. Any party to a mandatory mediation that fails to participate in good faith,  
25 on the terms described herein, may be subject to sanctions under section IV.E above.

26           **H.     Termination of the Securities ADR Procedures**

27           Notwithstanding anything herein, the Reorganized Debtors may terminate the Securities  
28 ADR Procedures with respect to a particular Subordinated Securities Claim at any time and have

1 such claim be resolved in the claims reconciliation and objection process before the Bankruptcy  
2 Court.

3 **I. Computing Time for Deadlines**

4 Consistent with Rule 6(a)(1) of Federal Rules of Civil Procedure, when computing any time  
5 period specified in these Securities ADR Procedures: (a) exclude the day of the event that triggers  
6 the period; (b) count every day, including intermediate Saturdays, Sundays, and legal holidays; and  
7 (c) include the last day of the period, but if the last day is a Saturday, Sunday, or legal holiday, the  
8 period continues to run until the end of the next day that is not a Saturday, Sunday, or legal holiday.

**Exhibit A-3**

**The Securities Omnibus Objection Procedures**

1        The following procedures (the “**Securities Omnibus Objection Procedures**”) have been  
2 adopted and approved by Order of the Bankruptcy Court, dated [•], 2020 [Dkt. No. [•]] (the  
3 “**Securities Claims Procedures Order**”), in the above-captioned chapter 11 cases (the “**Chapter  
4 11 Cases**”) of PG&E Corporation (“**HoldCo**”) and Pacific Gas and Electric Company  
5 (the “**Utility**”), as debtors and reorganized debtors (collectively, the “**Debtors**” or as reorganized  
6 pursuant to the Plan, the “**Reorganized Debtors**”).

7 **I. SECURITIES OMNIBUS OBJECTION PROCEDURES**

8        The Securities Omnibus Objection Procedures allow the Reorganized Debtors to object to  
9 multiple Subordinated Securities Claims in a single-filed objection document (each such document,  
10 an “**Omnibus Objection**”) and apply as follows:

11        **A. Form of Omnibus Objection**

12        Omnibus Objections will be numbered consecutively, irrespective of basis.

13        **B. Number of Proofs of Claim per Omnibus Objection**

14        The Reorganized Debtors may object to no more than 250 Subordinated Securities Claims  
15 per Omnibus Objection.

16        **C. Grounds for Omnibus Objection**

17        The Reorganized Debtors may object to Subordinated Securities Claims on the grounds  
18 identified in Bankruptcy Rule 3007(d) as well as any of the following grounds:

19            *1. Outside Subject Period*

20        Certain Subordinated Securities Claimants filed claims based on purchases of securities  
21 outside of the period from April 29, 2015 through November 15, 2018, inclusive (the “**Subject  
22 Period**”). *See Order (i) Denying Securities Lead Plaintiff’s Motion to Apply Bankruptcy Rule 7023  
23 to Class Proof of Claim and (ii) Extending Bar Date for Certain Holders of Securities Claims for  
24 Rescission or Damages* [Dkt. No. 5943], Ex. C (the “**Extended Securities Bar Date Order**”).

25            *2. Liquidation of Position Prior to a “Corrective Disclosure”*

26        Certain Subordinated Securities Claimants suffered no alleged harm where a Subordinated  
27 Securities Claimant sold his or her entire positions before any alleged “corrective disclosure”—in  
28 other words, the claimant both bought and sold securities at allegedly inflated prices.

### 3. *Failure to Comply with Securities Claims Information Procedures*

Those Subordinated Securities Claimants who failed to timely submit a properly completed Trading Information Request Form or otherwise failed to comply with the Securities Claims Information Procedures, including after receiving a Reminder Notice.

#### 4. *Unauthorized Bulk Claims*

Certain claims were not filed by individual claimants as contemplated by the Extended Securities Bar Date Order, but instead by third parties, typically Nominees, seeking to file on behalf of multiple individuals, even though these Nominees received notice of the Original Bar Date and could have filed any such bulk claim, if appropriate, in the original notice period.

## 5. *Otherwise Objectionable*

Certain Subordinated Securities Claims are objectionable on some other common basis under applicable bankruptcy or non-bankruptcy law, including failure to file timely claims by the Extended Securities Bar Date and statute of limitations defects.

## D. Supporting Declaration

The Omnibus Objections shall be accompanied by an affidavit or declaration that supports the Omnibus Objections.

## **E. Proof of Claim Exhibits**

An exhibit listing the proofs of claim that are subject to the Omnibus Objection will be attached to each Omnibus Objection. Notwithstanding Bankruptcy Local Rule 3007-1(a), the Reorganized Debtors are not required to attach a copy of proofs of claim that are the subject of the objection. Each exhibit will include, among other things, the following information:

- i. An alphabetized list of the claimants whose proofs of claim are subject to the Omnibus Objection;
- ii. The claim numbers of the proofs of claim that are the subject of the Omnibus Objection;
- iii. The amount of claim asserted in the proof of claim, or a statement that the claim seeks an unliquidated amount;
- iv. The grounds for objection; and

v. For Omnibus Objections in which the Reorganized Debtors seek to reduce the amount of any given proof of claim, the proposed reduced claim amount.

**F. Notice of Securities Omnibus Objection to Subordinated Securities Claimants**

Each Subordinated Securities Claimant whose claim is subject to an Omnibus Objection will be sent a copy of the Omnibus Objection, including all exhibits and attachments thereto. The Omnibus Objection will be served on the individual claimant by mail, not less than forty-two (42) days before the date set for hearing of the Omnibus Objection at the address on the claimant's most recently filed proof of claim, as well as upon any counsel of record in these cases for the Subordinated Securities Claimant. The Omnibus Objection, among other things, will:

- i. Describe the nature of the Omnibus Objection;
- ii. Inform the Subordinated Securities Claimant that its rights may be affected by the Omnibus Objection and encourage the Subordinated Securities Claimant to read Omnibus Objection carefully;
- iii. Identify a response date (each, a “**Response Deadline**”) not less than 14 calendar days before the date set for hearing, consistent with Bankruptcy Local Rule 9014-a(c); and
- iv. Attach a copy of these Securities Omnibus Objection Procedures, which describe the requirements for filing a written response (each, a “**Response**”) to the Omnibus Objection.

## **G. Order if No Response**

The Reorganized Debtors may submit an order to the Bankruptcy Court sustaining each Omnibus Objection to all proofs of claim for which the Reorganized Debtors did not receive a timely response, without further notice to the Subordinated Securities Claimants.

## H. Each Omnibus Objection is a Contested Matter

Each proof of claim subject to an Omnibus Objection and the Response thereto will constitute a separate contested matter as contemplated by Bankruptcy Rule 9014, and any order entered by the Bankruptcy Court will be deemed a separate order with respect to each proof of claim. Consistent with Bankruptcy Rule 9014(f), the finality of any order regarding a claim objection included in an

1      Omnibus Objection shall be determined as though the claim had been subject to an individual  
2      objection.

3            **I. Requirements for All Responses to Omnibus Objections**

4      Subordinated Securities Claimants who disagree with the relief sought in an Omnibus  
5      Objection are required to file a written Response in accordance with the procedures set forth herein  
6      and the Bankruptcy Local Rules. If a Subordinated Securities Claimant whose proof of claim is

12      Each Response must contain the following (at a minimum):

Unless an Additional Address is the same as the Notice Address, the Additional Address will not become the service address for future service of papers.

### 3. *Failure to Timely File a Response*

If the Subordinated Securities Claimant fails to file and serve a Response on or before the Response Deadline in compliance with the procedures set forth herein, the Reorganized Debtors will present to the Bankruptcy Court an appropriate Order granting the relief requested in the Omnibus Objection without further notice to the Subordinated Securities Claimant.

#### 4. *Service of the Response*

A written response to an Omnibus Objection, consistent with the requirements described herein, must be timely served on or before the Response Deadline (which will be clearly set forth in the Notice). Responses should be served via the Court's ECF system. In the case of Subordinated Securities Claimants who are not able to use the ECF system, service must be made by electronic mail to the email addresses of the Reorganized Debtors' counsel as shown on the Omnibus Objection. If a Subordinated Securities Claimant does not have the ability to serve a Response electronically, the Response must be served by a postal or other commercial express service that will effect delivery not more than two business days after the Response Deadline, and the Subordinated Securities Claimant must inform the Reorganized Debtors' counsel by email, telephone, or facsimile before the

1 Response Deadline of the Subordinated Securities Claimant's name and phone number, the number  
2 of the Omnibus Objection, and the fact that a paper Response is being delivered by express.

3 **J. Reservation of Rights**

4 Nothing in the Securities Omnibus Objection Notice or the Omnibus Objection will constitute  
5 a waiver of the right to assert any claims, counterclaims, rights of offset or recoupment, preference  
6 actions, fraudulent transfer actions, or any other claims against the Subordinated Securities Claimant.  
7 Unless the Bankruptcy Court allows a proof of claim or specifically orders otherwise, the  
8 Reorganized Debtors have the right to object on any grounds to the proofs of claim (or to any other  
9 proofs of claim or causes of action filed by a claimant or that have been scheduled by the Reorganized  
10 Debtors) within sixty (60) days of the later of the Bankruptcy Court's order resolving the Omnibus  
11 Objection, or the termination of the final Securities ADR Procedure. An affected Subordinated  
12 Securities Claimant will receive a separate notice of any such additional objection.

13 **II. MISCELLANEOUS PROVISIONS**
